

# LEGO Mindstorm Day Camp

FOR STUDENTS 5TH-8TH GRADE

Stanislaus County Office of Education is offering a **LEGO Robotics Camp** for students grades 5th-8th! Using **LEGO® Mindstorms EV3s** is an interactive and fun way to teach engineering, robotics, robot animation, and entry-level program coding. Each session encourages creativity and imagination as students brainstorm, build, and experiment with amazing robots. It's a wonderful way to develop critical 21st century skills. Don't miss out on this exciting opportunity!
